Re: Spanish Broadcasting System, Inc. (Employer)
Case No. 31-CA-194930, etc.

Dear Mori, Brian, Steve and Joelle:

As you know you issued a complaint which the Employer answered on October 12, 2017 and you received in the above case. You stated in the complaint the case will commence for trial on December 11, 2017. My firm contacted the union's attorney and they denied the request for an extension for the trial. I would respectfully request a 60 day extension to February 8, 2018 to try said case if it is necessary since the Employer has been impacted significantly by the three Hurricanes which are Maria in Puerto, Harvey in Houston and Irma in Miami. The Employer is currently dealing with FEMA to assist the Employer with its recovery due to its significant losses. Thank you for your anticipated cooperation in granting the extension to February 5, 2018 so the Employer can deal with its Hurricane recovery. During this time the parties can continue settlement discussions as the Employer has done in the last several weeks in September and October 2017. If you have any additional questions please contact my office.

Respectfully,

H. Sanford Rudnick, Labor Consultant
